i-SCORE

CREDIT SCORE
SKOR KREDIT

NOTE: The i-SCORE is a credit score, which is a numeric representation of an individual's credit worthiness, based on prevailing information available on the credit files at the time of scoring. The majority of credit grantors use some sort of credit scoring model to help predict what kind of credit risk you may be. Other factors, such as your salary and length of employment, may also be considered by credit grantors when you apply for a loan. As a risk assessment tool, i-SCORE does not provide any conclusive, evaluation or credit decisions for credit grantors.

NOTA: i-SCORE merujuk kepada skor kredit, iaitu representasi berangka kelayakan kredit individu, berdasarkan maklumat semasa yang terdapat dalam fail kredit pada masa penskoran. Kebanyakan pemberi kredit menggunakan model penskoran kredit untuk membantu meramalkan jenis risiko kredit yang mungkin anda hadapi. Faktor lain, seperti gaji dan tempoh pekerjaan anda, mungkin juga dipertimbangkan oleh pemberi kredit apabila anda memohon pinjaman. Sebagai alat penilaian risiko, i-SCORE tidak menyediakan sebarang keputusan muktamad, penilaian, atau keputusan berkaitan kredit untuk pemberi kredit.
